

## **Welcome to first grade!**

A great way to start the school year is to have your child be prepared. Here you will find a master list for classroom supplies that are needed for the beginning of school and some supplies that our classroom could surely use if you feel like donating extra. These supplies will be collected and stored for classroom use throughout the year. During the year, we might also send home specific requests for supplies depending on the unit we are learning about.

Lastly, we are asking that each child donate \$5.00 to cover supplies that we have purchased over the summer that needed to be universal in order to help our classroom routine run smoothly. These pre-purchased supplies include: colored folders for word study, reading, writing, and our take home folder, sticky labels, and composition notebooks. Please send all school supplies in the first week of school and the \$5.00 donation in an envelope with your child's name written on it. Thank you for your support. We are looking forward to a great year in first grade!

~Kalie Miller and Carrie Farnum
