Recommended Supply List

4th Grade

We are looking forward to working with you and your child next year. Each year we are asked what school supplies your child should have. We suggest the following items:

- 3 highlighters
- glue sticks (may need to replenish throughout the year)
- 5 Composition Notebooks (wide ruled)
- 6 plastic (or plastic-coated) folders with fasteners and pockets
- scissors
- #2 pencils (Ticonderoga or Paper Mate is recommended)
- zipper pencil pouch (no boxes please)
- blue or black pens
- black, fine-point dry erase marker
- colored pencils
- 2 size C batteries (needed during our electricity/magnetism science units)
- backpack without wheels (they don't fit in the lockers)
- 1 black Sharpie permanent marker (optional)
- pencil top erasers (optional)

NO PERSONAL PENCIL SHARPENERS PLEASE!

Donations our whole class would truly appreciate:

- Kleenex
- Clorox/Lysol wipes
- Band-Aids
- Ziploc gallon, quart, and sandwich sized baggie
- AA batteries

SUMMER PROJECT ALERT

Before the beginning of the school year, all students will need to decorate the cover of one composition notebook with ten or more photographs of family members, friends and themselves. They can also decorate the notebook with some magazine clippings, stickers, or personal drawings. The student's name should also be clearly visible on the front cover of the notebook. After decorating the notebook, please protect the decorations by covering the entire cover with clear packaging tape or clear Contact Paper. This composition notebook will become their Writer's Notebook.
